

Wanted Buff

What is wanted buff?

Wanted buff, Is a buff that grants your STR-INT increase and HP and MP Increase.

And there are three levels for wanted buff, and it lasts as till the end of day (00:00) Servertime.

How to get wanted buff?

You can simply get wanted buff with two different ways.

1- You can get wanted from collecting alot of Gold coins from jobbing. (Selling trades as trader, hunter, or thief).

2- By killing your enemy in job mode that has Wanted buff, by killing him you will steal his wanted buff.

Can I lose my wanted buff before daily reset?

Yes, for example, if you have wanted level 3 and an enemy in job mode killed you once, you will lose 1 level from your wanted and it will become wanted level 2.
