# Arena Coin

**Description:** It is used to purchase various items in the game, especially most of the items found in the Legion Shop NPC. Additionally, you can buy items from players with Arena Coin. As well as selling them for gold or silks.

## How to obtain ARENA COIN:

- **Selling items** for AC (with exchange);
- **HOLY WATER TEMPLE (DIRECT TP VIA HOTAN):** HWT (Holy Water Temple) as everyone or most know is the Alexandria South dungeon, where there are 5 uniques per entry and each unique drops 10 Arena Coin (AC), the full dungeon provides 50 ARENA COIN and is literally easy to do. You can enter twice a day, so it's 100 ARENA COIN. (to give you an idea 1k ac = 240B, so 100 ac = 24B).  
At this point, you can do this with up to 6 accounts per day. Per level entrance then you will earn 600 ACs, if you also do the intermediate level, you will earn another 600AC, totaling 1200AC per day just for that, for example.
- **STYRIA CLASH:** You need to get a STYRIA KEY, it costs 300AC on average, with it you can enter the STYRIA CLASH and stay 5 minutes in it, there are several penguins with 1 HP and each one drops 1 ARENA COIN. The best char to do this is ROGUE/ WARLOCK. If you're good, you can get up to 550/600AC in 5 minutes, a profit of at least 250AC.  
Watch the video below and you will understand what I mean:  
<https://www.youtube.com/watch?v=Ts61J6-qN5w>
- **KILLING UNIQUES:** Normal uniques spawn on average every 20 minutes after being killed, and drop 10 ACs, while titans spawn at specific times and drop 5 ACs. The best character to kill unique is BOW INT with FIRE and LIGHT (In the Legion discord you will find the spawn points and the drop list that are always updated).
- **BUYING AC:** You can buy arena coin with gold at the legion shop (250B each 1k) or from players (average 240b each 1k).
- **FORGOTTEN WORLD (FGW):** with FGW level 3 or level 4 each normal mob drops an AC and the unique main drops one styria key, which you can sell for 300AC. As well as you can farm marks skill to sell for gold or AC.
- **EVENT POINTS:** Exchanging Event Points for arena coin. 1 Event point (EP) = 5 arena coins (AC).
